

Senrab ConsulTech Ghana Ltd (SCG) is an Information Technology Consulting firm and project implementation house, working on leading edge technologies providing high end solutions, primarily targeting the Banking and Financial Services sector. SCG specializes in the training, support, implementation and customization of TEMENOS GLOBUS/T24 banking application for the various users in Ghana and the West African sub region. Senrab provides consulting, implementation, business transformation and operational solutions for clients across the region and attempts to bring together the world's best technologies to address critical client business imperatives.

Senrab ConsulTech Ghana Ltd is also a Value Added Partner for Octopus Microfinance. This is another feather in the cap for the solutions provider to focus on customers and the lower to mid range of market. New as we are in the market, we already are creating a niche in the provision of solutions to our partners in the financial services sector. We have proposed workable solutions and training support to other TEMENOS GLOBUS/T24 users in Ghana. We are also partnering with other consulting firms to provided end-to-end solutions using cutting-edge technology to meet the requirements of our clients. No doubt the company has been able to make a name for itself in a relatively short span of time only because of its ability and commitments to ensure customer satisfaction by rewarding quality work on right time and in a right manner.
